Council-Owned Property Instructions for Camporee Reservations

1. Check the list of available dates and select the Service Unit's first, second and third choices. Three different Camporee date options must be chosen and noted on the ***Hold the Date*** form.
2. Select one designated Service Unit (SU) contact person who has a valid e-mail address that is checked regularly.
3. Complete the ***Hold the Date*** form entirely. Forms without three date choices will be discarded.
4. Mail the ***Hold the Date*** form to address given. No hand delivery, fax or email will be accepted.
5. The ***Hold the Date*** form may not be postmarked before June 1, 2009. Any forms postmarked prior to 6/1/09 shall be returned to the sender.
6. All forms will be marked with the date received, initialed and processed by the order in which they are received:
 - the master calendar will be checked to see if the SU's first choice is available
 - if available, this date selection will be placed on the master calendar
 - if not available, staff will proceed to the SU's second date selection
 - if available, this date selection will be placed on the master calendar
 - if not available, staff will proceed to the SU's third date selection
 - the SU contact will be sent an email confirming the date(s) of the Service Unit Camporee.
7. If none of the SU's date selections are available:
 - the SU contact will be sent an e-mail with a list of available Camporee date options;
 - an email reply from the SU contact is required within 24 hours to reserve one of the available options;
 - if a response is not received within the 24 hour period, the SU request will be held until the end of the process;
8. Once email confirmation has been received, the SU may announce the Camporee dates. A completed Camporee Registration form and a deposit is due six (6) weeks prior to your reserved date. Any sites the SU will not be using on the Camporee date, will be made available for general troop camping (3) weeks prior to the Camporee.
9. All available Camporee dates that have not been reserved through this procedure will be opened for troop camping dates as of October 1, 2009.
