

Girl Scouts of Southeast Florida

Passport to Adventure Patch Program Requirements

Your new council has LOTS to offer. Explore the many rich treasures hidden throughout each county. This exciting patch program will allow you to visit and learn about the historic sites in the Southeast Florida Council.

Print Passports for every member of your troop (if you need a template, contact Precious Gordon at 954-739-7660 ext. 239 or pgordon@gssef.org). This makes a great activity at a meeting! Be creative!

Choose twelve (12) historic sites (2 in each county) to visit. Have a representative from each location sign your passport in one of the spaces on the “Visas” page.

Patches are available in both Council Shoppes (OPSC & JSC).

More information on these sites can be found at www.thefloridamap.com under the “Southeast Florida” and “Central East Florida” tabs. Click on the “Register of Historic Places Link.”
