

Fashion

Council's Own Badge Requirements

To earn the Fashion Badge girls need to complete the following:

- Junior Girl Scouts: 6 activities

Fashion is an official Council's Own Junior Girl Scout badge developed by Jenna and Lauren, of the Wellington area.

ACTIVITY #1:

Research fashion trends over the past 100 years and write about the differences and similarities among them.

ACTIVITY #2:

With a fashion show for friends and or families, demonstrate the changes in clothing that has occurred over the century. For example, show how skirt lengths have evolved over the years.

ACTIVITY #3:

Sketch or draw what you think future fashions will look like. Share your sketches and drawings with your troop.

ACTIVITY #4:

Sketch an outfit, then make it and model it. It's alright to find a ready made pattern that you can adjust, if needed.

ACTIVITY #5:

Make arrangements to visit a modeling studio and take a tour. Find out what it is like to be a real model. Try to arrange a walking lesson for the girls in the troop.

ACTIVITY #6:

Watch a fashion show on television, or better, try to see one for real at the mall or other event.

ACTIVITY #7:

Find out how modeling began originally. There weren't always "super models"; find out when they became celebrities.

ACTIVITY #8:

Discover information about the different types of models there are - such as fashion, print, advertising, television, etc. What does each one do? Compare their incomes.

ACTIVITY #9:

Coordinate a fashion show depicting styles you have learned about. Show your new skills at runway modeling. Do your show for a nursing home, other troops or families.
