

## Good Neighbor

## Badge Overview

Find out how you can help your communities by being a good neighbor. When you've earned this badge, you'll know more about the communities you belong to—and how the people in your communities work together to be good neighbors to each other.

## Badge Components

### 1. Explore your school

Earn this step by drawing a picture of your school with the different fun activities that you do throughout your day! (Ex. STEM, Recess, Art, Music, etc.)

- What is your favorite part of school? Talk about this with your family.

### 2. Discover your city or town

What do you like to do for fun? With the help of someone older, earn this step by thinking of 3 new activities you want to try and research places in your area where you can do these activities.

### 3. See what makes your state special

Earn this step by coloring one (or both!) of these Florida coloring pages that show a little bit about what makes our state special.

- On this first page, color the state of Florida! With the help of someone older, can you find where the city you live in is and label it? <https://bit.ly/331OwHA>
- On this second page, color all of the animals that can be found in our "backyard"—the Florida Everglades! Can you name any of them? <https://bit.ly/3dsEZZD>
