

Digital Photographer

Badge Overview

Find out how to capture a winning photo with your digital device, whether you're using a phone, tablet, laptop, or digital camera. When you've earned this badge, you'll know how to use a digital camera to create one-of-a-kind photos.

Badge Components

1. Learn about digital cameras from an expert

Watch this [video](#) to find out how digital cameras work.

- Find out more about taking great pictures and get some inspiration by visiting this [website](#).

2. Take tons of photographs!

What are you waiting for? Get out there and get snap happy with you camera or phone!

- Try different lighting, locations and subjects.

3. Edit three photos

Use your phone or this [website](#) to edit 3 of the pictures you have taken.

- Try different colors, contrast, saturation, filters, frames, etc.

4. Make a digital photo project

Watch the first 2 minutes of this [video](#) to learn how to make an Agamograph.

- Print 2 or 3 of your beautiful pictures so you can make a 2 or 3 image Agamograph.
- If you print your pictures out to the size of a regular piece of paper you can follow the video and cut your strips into 1" strips or if you print them a little smaller than the one in the video you could cut your strips into 1/2 strips to have the same effect.

5. Share your photos

Share your photos with someone.

- You could show them your Agamograph, print off some pictures and mail them to another girl scout, post one of your pictures on social media (check with an adult first) and tag Girl Scouts of Southeast Florida or email it to us so we can see what you are doing and maybe share it on our social media.
