

Silver Award Project Proposal Form

Attention Adult Volunteers: Please review the GSSEF Silver Award Guidelines with girls to facilitate an understanding of the process and we recommend you complete this form with her/them.

★★★

Scan/email to: customercare@gssef.org or fax to: 561-427-0187.

Each section on this form is required. Incomplete forms will be returned to the adult contact.

★★★

A Council-approved "Official Silver Award Project Interest Form" is required before project work may begin.

★★★

The Silver Award may be earned by a Cadette Girl Scout in Grades 6-8. Completed (i.e. finished) projects must be submitted no later than September 30th, immediately following a Girl Scouts' graduation from 8th Grade.

PRINT VERY CLEARLY

Form Submission Date: _____

Adult contact: _____

Cell Phone: _____ Email: _____

How many girls are working on this project? _____

Troop # (if applicable): _____

Individual Girl Name(s): *Maximum of 5 girls per project.* _____

Projected Start Date (month/year): _____ Projected End Date (month/year): _____

Silver Award Prerequisite: Girl Scouts must complete one Cadette Journey prior to proposal submission.

Full Name of Girl Scout	Title of Cadette Journey	Date of Journey Completion	Authorized by Troop Leader (print + initials)

Describe the proposed Silver Award Project. Be specific and very detailed. Use additional paper, if needed.

Where is the location of proposed Silver Award Project? Be specific, include address if applicable.

Who is the "Expert Advisor" for this Silver Award Project? Full name of one primary adult, phone and email; include business name and title if applicable. *This person cannot be a parent, guardian or Troop volunteer.*

Who is the primary and targeted audience for this project? Be specific.

What will be the impact on this community? Describe how this project will specifically address the core issue and have a positive and meaningful impact on others.

What are the ways that the Girl Scouts will educate others about the core issue they are addressing and spread the word about the Silver Award Project?

What Leadership Skills will the(se) Girl Scout(s) learn by working on this project? Be specific by individual girl and describe at least one skill that she wants to grow or achieve by working on the Silver Award Project.

How will the Girl Scouts plan for the sustainability for the Silver Award Project? Share the plans that ensure that the project (or efforts that go toward the core issue) will “live on” once the Silver Award is finished?

Who else will be recruited for the “Project Team” and agree to help implement the project? *Include full names for a minimum of four adults who are not their parents, guardians, family members and Troop volunteers. Once those four are identified, feel free to add more adults to the team. These adults can be families and volunteers.*
