

Corporate Cookie Care Program

Through the Corporate Cookie Care Sponsorship Program, girls ask businesses to become a Cookie Care Program sponsor.

Companies who sponsor, not only donate delicious Girl Scout Cookies to the military and other organizations, but they receive sponsorship benefits. Girls who obtain these sponsorships receive credit for the number of boxes donated in eBudde and will also earn cool rewards. Girls must have companies fill out a Corporate Cookie Care Sponsorship form located on the back of this flyer and then fill out the information here: <https://gssef.wufoo.com/forms/20202021-corporate-cookie-care-program/>. An individual form is required for each sponsor. The form will also be uploaded to your wufoo entry.

Cookie Care Program sponsors can choose to support GSSEF's Cookies for the Military Program, or can elect for the girls to donate Girl Scout Cookies from their troop's inventory to another deserving organization. Sponsors will denote this on the Corporate Cookies Care Sponsorship form.

If a letter of acknowledgment for tax purposes is needed, checks must be made out to:

Girl Scouts of Southeast Florida

Girl Scouts of Southeast Florida will then re-issue the check to the troop to comply with IRS guidelines.

Thank you for supporting Girl Scouts of Southeast Florida, our troops, and local community!
