

Speak Up and Earn our Council's Own patch!

Girls are in charge when they learn to reach out and speak up!

Know your products, speak to your friends and family about them, and show the marketing skills you learned at your troop meeting. Then, record your selling success on your paper order card.

This patch focuses on your People Skills and your Business Ethics, as you have to follow through on your commitment by placing the direct sale magazine or a \$ave Around coupon book order in to your leader by the troop's appointed date and bringing the nuts/candy items to your customer.

To earn this badge, sell 25 or more items on your Nut Card. (online sales do not count)

BOOM! It's that easy to earn the Use Your Voice patch!

Have fun! Show off your selling skills!
USE YOUR VOICE ... and reach your goal!
