

# Emerald Awards: Women Leading the Way

## Nomination Form

### What are the Emerald Awards: Women Leading the Way

The Emerald Awards: Women Leading the Way honors women in Palm Beach County who exemplify leadership and serve as role models for young women in our community. Four awards will be given to women who embody the characteristics of today's problem solvers, dreamers, changemakers, and doers. An **Emerald Awards honoree** is recognized as a woman who brings new ideas to life, demonstrates creative problem solving, and brings innovation to her field of expertise or community. She has positive values, a strong sense of self, seeks challenges, learns from setbacks, and is not afraid to shatter the 'glass ceiling.' She recognizes the potential for leadership in every girl, inspires those around her to take action, and drives change in her community.

In addition, a **Lifetime Achievement Award for Philanthropy** will be given to a woman who demonstrates outstanding civic and charitable support. The Lifetime Achievement Award will highlight a woman whose generosity is evident through the considerable personal time and financial support she dedicates to programs and organizations that contribute to the well-being of our community.
