Forever Green Girl Scout Scholarship

2023

girl scouts 
of southeast florida

Doreen A. Scott loved the outdoors. She had a passion for nature and outdoor activities that was second only to the love for her daughters and their Girl Scout experience.

Doreen was always “right at home” camping or in a park. She was an avid camper, equestrian, fisherwoman, and tennis player. She deeply valued the Girl Scout experience she shared with her own girls, Katherine and Theodora. She knew the leadership experience offered by Girl Scouts, combined with the organization’s long tradition of outdoor exploration and adventure was the perfect combination for helping girls grow strong and confident!

In 2021, Doreen passed away unexpectedly, and her family wanted to discover meaningful ways her passions and values could live on to inspire others. To that end, her sister Geri and daughters created the **Doreen A. Scott Forever Green Girl Scout Scholarship** for Girl Scouts who share her connection and commitment to the great outdoors. For a second year, one recipient will receive **\$1,500.00** toward her secondary college/university education.

The recipient of the **2023 Doreen A. Scott Forever Green Girl Scout Scholarship** will be recognized at the GSSEF Annual Gold Award Celebration. Attendance at this event to receive this scholarship is extremely important; scholarship committee representatives will be present. The recipient plus two additional guests are provided tickets at no cost (three tickets in total). Additional tickets will be available for purchase. The upcoming event will be held:
