The ECHO Scholarship Mission Statement

Presented by Zaida Alvarez and Juan Carlos Arias, The ECHO Scholarship was designed to support Girl Scouts in Southeast Florida who choose to create a legacy by going above and beyond with their Girl Scout career and completing a Gold Award project.

Once their daughter Angélica completed her Gold Award in 2021, the Arias-Alvarez family watched as she leveraged her project's success and all she gained from it, to win the The Miami Herald Silver Knight Award and the Veterans of Foreign Wars Department of Florida's Scout of the Year Award. Zaida and Juan Carlos were inspired to give an opportunity to other Girl Scouts who echoed Angélica's dedication, passion, and determination.
