

Florida Power & Light Company Scholarship 2023

Florida Power & Light Company and Girl Scouts of Southeast Florida know how important it is that the pipeline of female leaders in STEM fields is filled with qualified women. While the national workforce is 50% women, only one quarter of the STEM jobs are filled by female employees. FPL is committed to assisting girls interested in STEM careers with their educational pursuits.

In 2020, FPL launched a local scholarship program to award \$2,500 to a Girl Scout who is currently pursuing (already attends college/university) or plans to pursue (college/university freshman in Fall 2023) a career in a STEM field.

The recipient of the 2023 Florida Power & Light Company Scholarship will be announced at the GSSEF Annual Gold Award Celebration. Attendance at this event to receive this scholarship is expected and extremely important; scholarship committee representatives will be present. The recipient and two guests are invited to attend at no cost. Additional tickets will be available for purchase. The upcoming event will be held:

Saturday, May 13, 2023 • 9:00 am to 12:00 pm • Signature Grand, 6900 W. State Road 84, Davie, FL 33317

Scholarship Criteria:

In order to be considered for the Florida Power & Light STEM Company Scholarship, a Girl Scout must:

- Be a currently registered member of Girl Scouts of Southeast Florida, in good standing;
- Be a current high school senior who has already been accepted to a college or university, or a currently enrolled undergraduate student;
- Have a Grade Point Average of 3.0 or higher (on a 4.0 scale); and
- Exemplify the Girl Scout values of courage, confidence, and character.
- While not required, preferential consideration will be given to Gold Award Girl Scouts.

In addition to this application, Girl Scouts must submit a statement no longer than 500 words outlining her specific plans to pursue a STEM career, how Girl Scouts has prepared her for this pursuit, and her perspective on the importance of women in STEM fields.

Submission Process:

Applications for this year's scholarship are due **Wednesday, April 5, 2023 at 11:59 p.m.** Late applications cannot be accepted.

Send completed applications by email with the subject line, GSSEF – Florida Power & Light Company STEM Scholarship to customercare@gssef.org.

Allocation & Payment:

Scholarship money will be forwarded directly to the institution in the student's name upon the student providing proof of class registration and student identification number.
