

Jump start your troop year with the VTK!

The Volunteer Toolkit (VTK) contains program and meeting plans for Daisy through Ambassador and multi-level troops! It takes the guesswork out of planning and prepping for your troop meetings and makes communication and staying organized seamless.

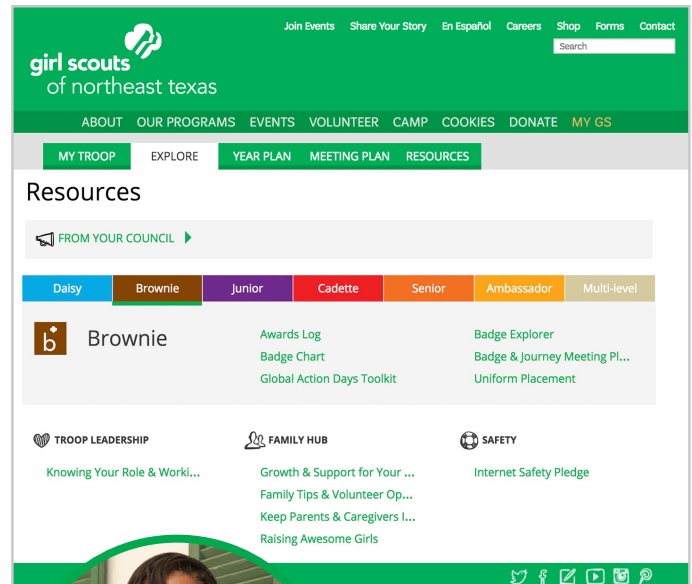

To get started, get to know the VTK! The Explore tab lets you either create your own year plan or choose from pre-selected tracks.

With the VTK, you can also:

- Access step-by-step activity guides for each troop meeting—so you'll know exactly what to say and do
- Easily share troop meeting activities and updates with parents/caregivers for each meeting
- Log girls' program achievements and milestones
- Add events and your own troop activities
- Find resources tailored just for you
- ... and so much more!

What volunteers are saying:

"I like that there are meeting plans and schedules to follow. I also like being able to keep track of the badges my girls earn. The 'my troop' feature that allows me to email all of the parents at once is great too—I use that a lot."
