If your Girl Scout didn't earn a free membership renewal during the 2026 Cookie Sale, now's the perfect time to spring into action and renew her membership (and yours). Simply log into your **myGS account** and renew between **April 1-7** to receive the spring perks!

Attention Cookie Sellers

If your Girl Scout earned free membership through the Cookie Program, **DO NOT RENEW HER**. GSSEF will process these renewals automatically and girls will receive the t-shirt and patch. **You DO need to RENEW ADULT MEMBERS of the troop** between April 1-7 for them to receive a t-shirt and patch. All renewed members will get an email later this spring to submit their t-shirt size.

GSSEF has eliminated the \$15 Council Service Fee for the 2026-27 membership year! After two consecutive national dues increases, GSSEF is proud to make it easier than ever to join, renew and say YES to Girl Scouts.
