

Congratulations to the Silver Award Girl Scouts Class of 2025!

The Silver Award is the second-highest award of Girl Scouts of the USA, and the highest award that a Girl Scout Cadette can earn. When Girl Scouts decide to work towards earning this award—they set out to create meaningful change by identifying an issue, collaborating with others who care about it too, building a team to help, and working to improve on that issue in a measurable way. Earning the Silver Award means reaching way beyond what the world knows as “community service” to Take Action projects that literally change the world.

GSSEF is thrilled to celebrate 74 Girl Scouts who earned
The Silver Award this year* with 35 individual projects.
