

Congratulations to the Bronze Award Girl Scouts Class of 2023!

The Bronze Award is the highest honor a Girl Scout Junior can achieve. Teams form around a community issue they care about and then, with support from nurturing adult volunteers, girls plan and execute a large-scale group project. Through the process, girls develop more confidence, make decisions, set goals, and have the kind of fun that only happens when we work together to make a difference.

GSSEF is thrilled to celebrate 184 Girl Scouts who earned The Bronze Award this year* with 34 individual projects. This year's Bronze Award Class demonstrates a 56% increase over last year.
