Cadette: Silver Torch	Senior & Ambassador: Gold Torch
Girl Scouts will explore how to powerful it is to participate as a member of a team. This could be on a sports team, in a club at school, a group at a place of worship, a committee within Girl Scouts, or a group within a community organization, etc. To earn this award, Girl Scouts will work as part of a team toward a shared goal, support others, and build confidence while discovering what motivates people, how to be a productive team member, study others in peer leadership roles, and inspire positive changes. Access the GSUSA guidelines here: PeerLeadership SilverTorch.pdf	Girl Scouts who are ready for a leadership role can earn this award as they gain the know-how and skills to lead others with purpose and heart, not just be in charge. This could be in an elected position at school (like a club officer), a team captain in sports, Girl Scout advisory board member, or in a leadership role within a community organization, etc. Girl Scouts can draw on the powerful lessons of bringing people together for a common goal, organizing efforts of a group, taking on significant responsibilities, turning ideas into impact, and inspiring others.
