Welcome to Girl Scouts!

Our Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Girl Scout Promise

On my honor, I will try:

To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place,
and
be a sister to every Girl Scout.

“My time as a Girl Scout is among my favorite childhood memories.

The opportunities to learn new skills and have amazing adventures are things I am grateful for and have helped shape the person I am today.

I'm excited to welcome you and invite you to share this journey with your Girl Scout.”

*Lisa Johnson, CEO
Girl Scouts of Southeast Florida*

Thank you!

**Members may substitute for the word God in accordance with their own spiritual beliefs.*

Setting Up Your Troop

New leaders often spend the first few weeks getting started and setting up their troop. Be sure to use your **CHECKLIST** at the beginning of this guide!

The number of girls to expect in your troop

As a new troop, you can expect to have 10-12 girls. Research has found this is the 'sweet spot' – small enough to encourage individual development and large enough to provide an interactive and cooperative learning environment. If your troop doesn't have enough girls assigned or you would like a larger group, GSSEF is here to help you.

Looking to grow your troop more?

As a troop leader, you can make sure your troop is available in the opportunity catalog for new members to register at will, and you can also share a direct link for new families to register directly in your troop through your MYGS account. Adults and girls alike can join your troop this way. If you would like help growing your troop, contact customer care at any time throughout the year.

Meeting Location and Times

Remember, set meeting times that work with your schedule. You will need to choose a location for regular meetings – a local park, library, school, private homes – the troop can meet anywhere that follows the Girl Scouts safety guidelines. You will also need to decide what day of the week and how often the troop will meet. Most of our troops meet twice a month. So, think about what day, which weeks of the month and the time-frame (1, 1 1/2 or 2 hours) – right after school, weekday evening, or weekend.

Troop Interests/Goals/Personality

Also, think about what your troop will want to accomplish this year. What are some goals? Will the troop focus on one theme for the year? We want to know what type of activities you will plan to do throughout your first year. Every troop has a unique 'personality.' Let us know anything that is special about your troop. Will the girls speak a different language? Include girls with disabilities or learning differences? Do all the girls enjoy a specific sport or activity?

Building an Inclusive Troop

Establishing an inclusive environment that welcomes every girl, fosters a sense of belonging and provides a safe space for everyone should be a top priority. Girls have a better experience when they are warmly welcomed into a troop.

Access gsLearn in your myGS account for a great module about leading an inclusive troop.

Training

You'll find many helpful and interesting training courses offered in **gsLearn** located in your MYGS account.

New leaders are required to complete **[Volunteer Essentials and Troop Essentials](#)** in the first 30 days of troop formation.

- Each troop must have two non-related registered and background checked leaders.
- In addition, the troop needs a minimum of one **First Aid/CPR trained** adult. More are always better.
- Once your troop is ready for an outdoor overnight or camping trip, you will need to have an adult complete **troop camp training (TCT)**.
- Adult training is required for several Girl Scout activities like canoeing and archery. Check out our **[events calendar](#)** for dates and times.

Visit www.gssef.org regularly to view the most current event and training listings.

What's The Girl Scout Program?

At Girl Scouts, girls have tons of fun, make new friends, and go on fantastic new adventures. Our programs center on something called the Girl Scout Leadership Experience—a collection of activities and experiences girls have as they earn badges, sell cookies, go on exciting trips, explore the outdoors and, do Take Action projects that make a difference.

In Girl Scouts, girls will:

Discover

Find out who they are, what they care about, and what their talents are.

Connect

Collaborate with other people, locally and globally, to make a difference in the world.

Take Action

Do something to make the world a better place.

Badges

What have your girls always wanted to do?

Make their own movie, go geocaching, plant a garden? Great news! They can learn to do all these things and more while earning Girl Scout badges. Badges are worn on the front of the vest or sash. The Volunteer Toolkit and Girl's Guide to Girl Scouting are your resources for the requirements to earning badges.

Patches

Think of patches like collecting memories in Girl Scouts. They're often a part of the fun activities you can do in Girl Scouts without the requirements of badges.

Patches are always worn on the back of the vest or sash.

Highest Awards

Bronze. Silver. Gold.
These represent the highest honors a Girl Scout can earn.

All three awards give girls the chance to do big things while working on an issue they care about. Whether they want to plant a community garden and inspire others to eat healthy for their Bronze, advocate for animal rights for Silver, or build a career network that encourages girls to become scientists and engineers for their Gold, they'll inspire others (and you!).

Girl Scout Levels

Daisy • Grades K-1

Daisies sparkle with that “first time ever” newness in everything they do. They go on field trips, learn about nature and science and explore the arts and their communities— and so much more. Girl Scout Daisies can also earn Learning Petals and patches.

Brownie • Grades 2-3

Brownies work together, earn badges, and explore their community. Friendship, fun, and age-appropriate activities begin at the Girl Scout Brownie meeting and move out to the community and wider world. While earning badges, they build skills, learn hobbies, and have fun!

Junior • Grades 4-5

Juniors are big-idea thinkers. They’re explorers at camp and product designers when they earn their Innovation and Storytelling badges, or even their Bronze Award. Every day, they wake up ready to play a new role.

Cadette • Grades 6-8

Cadettes chart their own course and let their curiosity and imagination lead the way. They learn about the power of being a good friend, gain confidence mentoring younger girls, and can earn their Silver Award.

Senior • Grades 9-10

Seniors are ready to take the world by storm, and Girl Scouts gives them millions of ways to do it. Their experiences help to shape their world, while giving them a safe space to be themselves and explore their interests. Girl Scout Seniors can earn their Gold Award (which, by the way, adds something “extra” to college applications).

Ambassador • Grades 11-12

Ambassadors know that small acts create big change. While they get ready for life beyond high school, Girl Scouts helps them take flight. They may also earn their Gold Award (which, by the way, adds something “extra” to college applications).

The Girl Scout Uniform

Uniforms are an important part of the Girl Scout experience, connecting girls to Girl Scout traditions, displaying their accomplishments, and creating memories to last a lifetime. Girls want to look and feel their best when representing Girl Scouts. And now they can, with uniform options that are in step with today’s trends and active lifestyles. Girl Scouts at each level now wear one required element (tunic, sash, or vest) to display official pins and awards. Girls can mix and match pieces from the official Girl Scout collection to complete the uniform. Troop leaders may opt to collect money from parents and purchase sashes, vests, and insignia from the GSSEF Retail Store, or ask parents to purchase items on their own. Financial assistance for uniform components is available for girls that qualify.

Visit our GSSEF Retail Store to purchase uniforms, starter kits, and more. Our staff are here to help. Or shop online 24/7 by visiting our website at www.gssef.org.

Troops

Girls are the heart of our organization!

A New Leader's Support System

Your Support System

Girl Scouts is all about sisterhood. As a leader, you are not alone. Troop leaders and caregivers make up the team. Get to know them and allow them to help.

Your Service Unit

What is a service unit? It is a geographically defined area that consists of Girl Scout troops that are in the same community or group of zip codes. These troops are supported by a volunteer service unit team.

Service unit teams consist of experienced Girl Scout volunteers who are there to support one another through the Girl Scout year. The team includes a manager, recruiter, product coordinator, and more. These volunteers work together to support you by providing activities and event opportunities in your area throughout the year. And, they hold monthly meetings for leaders.

Service Unit Meetings

These meetings are usually held monthly and can be in person or virtual.

- Meet and network with fellow volunteers
- Learn about upcoming programs, events and trainings, etc
- Share resources and materials

We can get you connected to the volunteers in your service unit.

Your GSSEF Council Staff

We are here for you. Members of our team will be reaching out to you throughout your first year as a troop leader. If you have a private matter, a conflict to discuss, issues with registration or any other needs, GSSEF can help. Contact us at customercare@gssef.org.

Troop Leaders – Leading Together

Each troop needs two unrelated adults who are Girl Scout members and have completed a background check to be able to meet. A friend, neighbor, co-worker, or another parent are all great people to lead a troop with. If you need assistance recruiting a leader, let us know.

Before meeting with parents or the girls, you will want to get together and make some decisions about your troop.

- Meeting logistics: When, where, how frequently and how long will the troop meet?
- The troop: Will the troop have girls in one grade or many?
- What kind of help will the troop need from parents?
- How will you handle your own girl during troop activities?
- What type of communication will you use with the troop families?
- Troop finances: Will you have regular troop dues, a troop start-up fee? Who will be on the troop bank account?
- What would you like the troop uniform components to include? Will the leaders purchase for everyone with troop funds or will parents need to get this on their own?
- Plan out the parent/caregiver meeting (Once you have your parent/caregiver meeting you will include them in these decisions).

For more information, contact us at customer care@gssef.org.

Working with Parents/Caregivers

Unlike many other activities, a Girl Scout troop needs parent and caregiver support to thrive!

Parent/Caregiver Meeting Agenda

- Welcome and introductions to one another and to the Girl Scouts. Ask about each girl and get to know her a little.
- Share how important each family will be to the troop.
- Make sure all troop parents share their contact information for easy communication!
- Discuss meeting location, day and times, uniforms and troop dues (you may want to collect at the meeting).
- Set expectations for communication and response times and how parents can get involved to help the troop.
- Have parents complete health history forms.
- Discuss the types of activities the troop will participate in this year (regular meetings, field trips, events, camping trips and the product sales).
- Permission forms will be needed for each activity.
- Answer any questions the parents may have.

Helpful Tips!

- Don't try to do this alone! Ask parents directly to help with the troop – list out specific needs.
- Invite a member of your service unit team to attend if you need help with this meeting.
- Have a Get to Know my Girl info sheet so that parents can share helpful info for working with their girl.
- If girls will attend this meeting, have a craft or simple activity to keep them engaged.

Parents and other family members can take an active role in supporting your Troop's experience. Use this chart to engage parents at your parent meeting.

The list below explains a number of roles your troop can use throughout the year.

Leaders	Troop Role	Description
	Troop Leaders	Partners to provide regular support for all troop activities. Must be a registered member. Background check and training required. Select "Troop Leader" when registering.

Troop Helpers	Troop Role	Description
	Troop Treasurer	Help leaders with all money matters, budgets, deposits, etc. Membership and background check required.
	Camping Adult (Troop Camp Trained-TCT)	Coordinate and attend troop campouts. Membership, background check and training required.
	CPR/First Aider	Attend outings outside regular meeting place. Membership, background check and certified training required.
	Troop Cookie and Sweets & Treats Manager(s)	Promote and run Product Programs (Cookie Program and Sweets & Treats Program) for troop members. Membership, background check and training required.
	Supplies or Snack Coordinator	Provide assistance by providing or selecting snacks for troop meetings as needed. Collect/purchase troop supplies to be paid for by the troop for activities.
	Communications Support	Share troop news, be the go to person to communicate troop news, upcoming activities, etc., for the troop leaders.

If you or another parent have a talent not represented on this list, speak up and offer to share with the troop. From song and skit leaders to photographers, hobby experts, firewood suppliers and more, there is a place for you to volunteer with your Girl Scout troop. The help and engagement of every parent is important to the growth of the troop!

Girl Scout Troop Finances

Bank Accounts

- Two volunteers must be on the bank account.
- Find a bank with free accounts for Girl Scout Troops (Truist is preferred).
- Complete and submit the Request to Open a [Bank Account form](#).
- Register the account with GSSEF by submitting the [ACH form](#).

Troop Budgets – Keeping good financial records is a must. Keep receipts and track troop activity costs. Troops should share financial information with parents regularly. When planning make sure to keep the troop budget in mind and to save money to help fund next year's activities, too.

Troop Dues – Most troops have troop dues and/or troop start-up fees. Make sure to be flexible with families when collecting troop monies. Troop dues/fees should be just enough to cover the cost of supplies, activity fees and badges/patches. Dues average \$3-5/meeting. Start-up fees range between \$5 and \$30 depending on the troop needs.

Sales Tax – In accordance with Florida State Statutes, the Florida Department of Revenue and the Florida Administrative Code, GSSEF's exemption from Sales and Use Tax does not extend to the Troop or Service Unit components of GSSEF.

Fund Raising – A troop's primary money earning should come from the GSSEF Sweets & Treats and Cookie Program. Once a troop has participated in these annual programs, they are eligible to participate in other troop money earning activities such as garage sales or car washes with Council approval.

Financial Assistance

[Financial assistance](#) is made available to all members* and is intended to ensure the cost of membership never keeps a girl from experiencing Girl Scouts.

*Funds are distributed on a first-come, first-served basis until depletion.

For more information about finances check out [Volunteer Essentials](#) in gsLearn.

Costs of Girl Scouts

Girl Scouts is a great value! It's a good idea to talk to the troop parents about expenses they can anticipate for the coming year.

Membership Fee

(\$65 National Dues + \$15 Council Service Fee girls/\$30 adults)

Every girl and volunteer who participates in Girl Scouts is required to become a member of the organization. The membership fee, which is sent to our national organization, covers the cost of fundamental services that support the Girl Scout Movement as well as accident insurance for members participating in approved Girl Scout activities. The Council Service Fee stays with the local council.

Uniforms

(\$33 - \$46/year)

Uniforms are recommended but not required, and many girls enjoy wearing them to display their badges. There is a uniform for each grade level, and one uniform can be used for up to two years.

Girl Scout Books

(\$7 - \$22/year)

A variety of books are available to support programming in troops.

Special Programs

(Varies)

When not covered by the troop, special programs, such as field trips or programs, are generally paid for individually. Examples include camping trip supplies or fees to go to a GSSEF hosted program.

Product Program

The Girl Scout Product Program (Cookie Program and Sweets & Treats Program) not only gives girls funds for the troop, but it also supports all of the council's services to volunteers, parents, and girls.

Girl Scout Traditions

Hand Sign – Raise three fingers of the right hand with the thumb holding down the pinky. The three fingers represent the three parts of the Promise.

Girl Scout Out – fun way to end a meeting, girls are in the friendship circle, each girl spells a letter in "GIRL SCOUT" until one gets to O, the O is the out. That girl in turn raises her arms still clasping hands, turning to the right and out of the circle. The next girl begins again with the G until the last girl is left as the winner.

Handshake – Shake hands with the left hand and make the Girl Scout sign with the right hand. The left hand is nearest to the heart and signifies friendship.

SWAPS – Small tokens of friendship that girls often make and take to events or while traveling to swap with other Girl Scouts – “Special Whatchamacallits Affectionately Pinned Somewhere”.

Friendship circle – The unbroken chain of friendship. Girl Scouts stand in a circle crossing their right arm over their left, and clasping hands with their friends on both sides.

Kaper Charts – A chart dividing up troop responsibilities. Indicates all the jobs available and who is responsible during a meeting or a camp-out.

Keeping Girls Safe and First Aid Kits

Make sure a general first-aid kit is available at your group meeting place and accompanies girls on any activity (including transportation to and from the activity). Please be aware that you may need to provide this kit if one is not available at your meeting place. Purchase a Girl Scout first-aid kit, buy a commercial kit, or you and the girls can assemble a kit.

Girl Scout activity insurance forms, parent consent forms, and health histories may be included as well. Check the kit regularly. Make sure the flashlight batteries work. Check expiration dates and replace any used or out-of-date contents.

Items to include:

- Adhesive bandages
- Sterile gauze pads
- Antibiotic ointment packets
- Hydrocortisone ointment packets
- Antiseptic wipe packets
- Non latex gloves
- Instant cold compress

Always keep your kit and required forms with the troop at all times.

“

As their leader,
I want to give girls
the opportunity to
try new things and
get out of their
comfort zones.

Girl Scouts encourages
girls to be responsible
and educated citizens,
and encourages
making the world a
better place.

”

Troop Communication

Good communication is essential to a well-run troop. It's a great idea to discuss how troop communications will be handled. Will you make phone call reminders or text? Be sure to include response expectations in this conversation. A good idea is to always provide a deadline for communication responses. Do you have a parent who will be the designated communications person?

It's also important to keep an open and honest communication line with parents regarding behavior and/or special needs of girls and the troop.

GSSEF volunteer policies and procedures requires that all parents/ guardians of a registered girl member have access to any troop-related social media pages associated with the troop.

As a troop leader, you will find that forms are a necessity! Some useful forms you will need include:

Girl Health History Forms

To be completed by caregivers each year.

Parent Permission Form

To be completed by caregivers for each activity.

Troop Changes

Safety Activity Checkpoints

Volunteer Policies and Procedures

Product Sale Program

Each year, troops have two opportunities to participate in council sponsored money earning activities: the Fall Product Program, AKA Sweets & Treats, and the Girl Scout Cookie Program. Each of these programs offer girls and troops the opportunity to earn funds to power their Girl Scout adventures, as well as rewards to keep girls engaged and motivated.

Through their participation in product programs, girls are able to launch their very own businesses while learning important life skills along the way:

Goal Setting

Decision Making

Money Management

People Skills

Business Ethics

There are also badges and curriculum that help troop volunteers guide girls on this journey to developing their confidence in having a voice to set their goals, decide what they want to do with the money earned, and understanding how to successfully run their Product Sale Program.

- With the support of a volunteer in your Service Unit and the GSSEF Product Sale team, you will be connected to resources and support to ensure that you and your troop have everything that you need to have a successful experience.
- It's important to remember that any funds earned through money earning activities become property of the troop as a whole to further the Girl Scout experience. Funds are not the property of individual girls.
- It must also be a girl-led decision on how these funds should be spent. Troop funds can be used towards meeting supplies, badges, field trips and activities, camping, experiences and more.

Sweets & Treats Program | August – November

This is a great way to get girls and families comfortable with participating in council sponsored money earning activities.

- **What:** Girls sell nuts, candy, and magazines in-person and online to family and friends.
- **How:** Customers can select to have their order delivered by the Girl Scout or shipped directly to them. Products to be delivered by girls will be shipped directly to the troop in November for distribution to girls and families.
- **Why:** Troops earn of funds that will help support their Girl Scout activities for the year and girls earn rewards based on their sales.

Cookie Program | December – February

The Girl Scout Cookie Program is the largest girl-led entrepreneurial program in the world. The bulk of the troop's funds are earned through girls' participation in the Cookie Program and it's where they truly get to put the five skills they have learned into action.

- **What:** Girls sell cookies to customers near and far online, in-person, and at booth sales.
- **How:** Family and friends support their favorite Girl Scout by purchasing cookies to help her reach her goal. With the support of parents/ caregivers and troop volunteers, girls can also participate in booth sales at local grocery stores, restaurants and more.
- **Why:** Troops earn proceeds on each package of cookies sold and girls earn rewards based on the number of packages they sell.

What Sets us Apart? *The Girl Scout Program!*

Have you ever wondered: “How do I build girls of courage, confidence and character?” The answer is as simple as 1-2-3!

1. Know where you’re going before you start:

Become familiar with the five outcomes we want girls to achieve through Girl Scouts:

Develop a Strong Sense of Self: Girls have confidence in themselves and their abilities, and form positive identities.	Promote Positive Values: Girls act ethically, honestly, and responsibly, and show concern for others.	Seek Challenges: Girls learn to take appropriate risks, try things even if the might fail, and learn from their mistakes.	Foster Healthy Relationships: Girls develop and maintain healthy relationships by communicating their feelings directly and resolving conflict constructively.	Learn Community Problem Solving: Girls contribute to the world in purposeful and meaningful ways, learn how to identify problems in the community and create “action plans” to solve them.
				

2. Offer activities from the four Program Pillars:

S.T.E.M.: Science, Technology, Engineering, Math. Activities help girls develop problem-solving and critical thinking skills to build their confidence.	Outdoor: Develop outdoor skills over time. This can be as simple as meeting outdoors and working toward more adventurous outdoor exploration.	Life Skills: Develop key life skills girls can use forever, like financial literacy, first-aid, and more. Badges are great for this!	Entrepreneurship: Participate in the Girl Scout Cookie and Sweets & Treats programs to build key entrepreneurial skills girls will use for a lifetime!
			

3. Incorporate these program processes into your activities:

Girl Led: Girls shape the experience by asking questions, offering ideas, and using their imaginations.	Learning By Doing: Girls learn through hands-on activities, talking about what they did, and reflecting on how they would do it differently next time.	Cooperative Learning: Girls work together to brainstorm ideas and problem solve their way toward a common goal.

Confirmations

Confirmations are most commonly sent via email to the adult contact email address approximately 3-10 days before the start of the program.

Cancellations

In the event of a program cancellation, by GSSEF, the adult contact will be notified via email.

Programs are subject to cancellation in advance of the program day, by GSSEF, if attendance does not meet the minimum requirements or if unforeseen circumstances prevent the program from occurring. In such cases, refunds will be issued to registrants within 7-10 business days.

Registrant-requested cancellations will be accepted up to 14 days in advance of the program day for a full refund. After this date, no refunds will be granted.

Program deposits, such as those required for travel or camp, are non-refundable. When possible, non-refundable fees may be transferred to a future program upon request; but is not guaranteed. Such requests are accommodated on a case-by-case basis.

If the National Weather Service issues a Hurricane “Watch” or “Warning” for any geographic portion of our Council’s jurisdiction during any time period for which an activity is scheduled, this program will be automatically postponed. Due to the timing constraints there may not be time for communication in the event of a weather emergency. When the National Weather Service lifts the Hurricane “Watch” or “Warning” and GSSEF operations have resumed, our staff team will determine if the activity can be rescheduled and communicate with the registrants as quickly as possible. If the activity cannot be rescheduled, or if the rescheduled date/time will not work for those previously registered, a full refund will be issued.

* A tagalong is anyone that is not a Girl Scout member. In respect to Girl Scout programming, a tagalong is a child that is younger than five, nonmember siblings over age five, or nonmember adults. Tagalong ratios must be adhered to for minor tagalongs and can be found in GSSEF Volunteer Policies & Procedures. For example, a tagalong that is one year of age requires one dedicated adult for supervision and this adult cannot be counted in the Girl Scout girl to adult ratio.

Girl Scout Camping

When Girl Scouts get outside and connect with nature in a girl-led setting, they grown in self-confidence, develop their leadership skills, and foster a passion for environmental stewardship. Many Girl Scouts will tell you that camping trips and summer camp are some of the best things about their Girl Scout experience.

Our Camp and Outdoor Program

With a troop camp-trained adult along, girls can go troop camping at one of our two camps throughout the year. Summer Camp offerings are announced in December/January each year.

Camp Properties

Highest Awards

Once your troop becomes a Junior Girl Scout troop, they are able to complete the first level of our Girl Scout Highest Awards – The **Bronze Award**.

Girl Scout Juniors team up to make a difference in their community. They learn important leadership skills, discover new passions, and watch how seemingly small actions make a big difference. Girls may earn individually or as a troop. Earning the Bronze Award includes 20+ hours of project

planning, implementation and promotion.

Cadette Girl Scouts may earn the **Silver Award**, the second-highest award.

Seniors and Ambassadors may earn the highest award achieved by a Girl Scout, The **Gold Award**.

For more information about Highest Awards, visit the Highest Awards page on our website gssef.org.

How Many Volunteers Do You Need?

Troop leaders are responsible for arranging and maintaining proper adult supervision for meetings and activities. Each troop meeting or Girl Scout group must have at least two unrelated adult members, each with an eligible background check status on file present at all times, plus additional adult volunteers as necessary. Adult volunteers must be at least 18 years old and one adult in every group must be female.

Use the table to identify how many adults you need based on the number of girls participating:

	TROOP MEETING		FIELD TRIP	
	The adult-to-girl ratio is two unrelated volunteers, including one female, for up to this number of girls:	There should be one extra adult for every additional:	The adult-to-girl ratio is two unrelated volunteers, including one female, for up to this number of girls:	There should be one extra adult for every additional:

Safety Responsibilities for Girls

Girls who learn about and practice safe and healthy behaviors are likely to establish lifelong habits of safety consciousness. For that reason, each Girl Scout is expected to:

- Assist you and other volunteers in safety planning.
- Listen to and follow your safety instructions and suggestions.
- Learn and practice safety skills.
- Learn to “think safety” at all times and to be prepared.
- Identify and evaluate an unsafe situation.
- Know how, when, and where to get help when needed.
- Practice the buddy system when participating in troop activities.

Let's Go!

Your First Daisy Troop Meeting

Your first Daisy troop meeting is a great chance to get to know the girls and brainstorm all the exciting things they want to do in the year to come. If you're feeling a little nervous about leading troop meetings and experiences with your girls, that's OK! Just remember that:

It doesn't need to be perfect. Did an activity run over time? Or, maybe a field trip didn't go according to plan? Take a deep breath, roll with the changes, and have fun. The girls aren't expecting perfection from you: your time, attention, and guidance are the best part of your leadership.

Learn with your girls. Keeping activities girl-led also means that at some point, the girls will want to earn a badge or complete a project in a subject unfamiliar to you. Don't let that hold you back. Be open with the girls when you don't know something and that you will be learning together. You'll show them that learning is a lifelong process and that with an open mind, they can overcome any challenge that comes their way.

You can use editable pre-written sample meeting plans, or build your own meeting plan, in the Virtual Toolkit. It also has printable resources you can use as visual aids.

Six Elements of a Great Troop Meeting

The only requirement for your troop meetings is that your girls are engaged and having fun. Many leaders use this basic structure for troop meetings:

- 1. Ramp Up** – Plan an opening activity for girls upon arrival at the meeting so they have something to do before the meeting begins. Plan about five minutes for this. It could be a snack, creating a thank you card or coloring a page to donate, etc.
- 2. Opening** – Each troop decides what they will do regularly. Most begin with reciting the Girl Scout Promise & Law, a song, game, story, or other activity designed by the girls. Plan 5-10 minutes for this.
- 3. Troop Business** – Collect dues, take attendance, make announcements, or plan upcoming activities while parents may be present.
- 4. Let the magic begin** - This is your activity for the meeting. Work on a badge or complete other activities during this time. Plan 30 minutes to 1 hour according to your meeting time.
- 5. Clean Up** – Girls clean up all supplies and always leave a place cleaner than they found it. Plan about five minutes.
- 6. Closing** – As a troop, girls decide how they will end each meeting – a song, a game, a Girl Scout tradition. Plan 5-10 minutes for this.

Got Snacks?

Snacks are optional, but if your troop has chosen to include snacks, guide families to consider healthy snacks and always share any food allergies the girls in your troop may have. Include snack time as part of your troop meeting.

First Meeting Checklist

- ☐ Cover the basics. Review the details about when and where the meeting will take place and make sure parents/caregivers are aware.
- ☐ Get ready. Use the VTK to verify your troop roster and email parents. This might be a great time to remind parents to send health history forms, uniform orders, and troop dues to the meeting.
- ☐ Know the agenda. Refer to the Six Elements of a Troop Meeting list and your meeting agenda/plans.
- ☐ Review and practice your agenda. You'll feel calmer during the actual meeting and ready to make adjustments as needed.
- ☐ Prepare for magic! When the girls and parents see that you're prepared for the meeting and ready to have a great time, they'll follow your lead.

Working with Daisies

As the leader of a Daisy troop, your goal should be to act as a facilitator, enabling girls to experience planning, decision-making, leadership, and yes, even failure!

Girl Scouts is girl-led!

Daisies (K-1st-Grade Girls)	This means
Can make simple choices and enjoy sharing their opinion.	When making troop decisions, offer the girls limited choices, such as choosing between two field trips. Allow girls to share their thoughts and take a vote to choose.
Have loads of energy and need to run, walk, and play outside.	They'll enjoy going on nature walks and outdoor scavenger hunts.
Are great builders and budding artists.	Encourage them to express themselves and their creativity by making things with their hands. Girls may need assistance holding scissors, cutting in a straight line, and so on.
Love to move and dance.	They might especially enjoy marching like a penguin, dancing like a dolphin, or acting out how they might care for animals in the jungle.
Are concrete thinkers and are focused on the here and now.	Showing instead of telling, for example, about how animals are cared for. Plan visits to animal shelters, farms, or zoos; meet care providers or make a creative bird feeder.
Are only beginning to learn about basic number concepts, time, and money.	You'll want to take opportunities to count out supplies together—and perhaps, the legs of a caterpillar. Participation in the Product Sale Programs reinforces counting and math skills.
Know how to follow simple directions and respond well to recognition for doing so.	Be specific and offer only one direction at a time. Acknowledge when girls have followed directions well to increase their motivation to listen and follow next time.
Are just beginning to write and spell and don't always have the words for what they're thinking or feeling.	Having girls draw a picture of something they are trying to communicate is easier and more meaningful for them.

Helpful Tips!

- Build on the strengths of each girl.
- Praise desirable behavior.
- Use simple words.
- Use quiet, pleasant tones.
- Be flexible. Attention spans can be short.
- Utilize the Girl Scout Promise & Law.
- Try to be at the girl's eye level.
- Encourage girls to solve problems.
- Develop a friendly relationship with each girl.
- Keep activities short and varied.

Make it Happen!

A handy troop checklist

Here are 10 essential things you can do to make your troop year a success!

● Host a investiture ceremony/parent meeting at the beginning of the year. Let the girls do the planning, and invite the whole family to attend!

● Start each meeting with the Girl Scout Promise and Law. Ask girls to share examples of how they have used the Promise and Law in their lives since the last meeting.

● Set a plan to earn at least 4 badges. Events in this book can help you or visit the Volunteer Toolkit.

● Help the girls decide what they want to do this year in Girl Scouts. What badges, Journeys, and awards do they want to earn? What events would they like to attend?

● Attend a council-sponsored event to try new things and meet other Girl Scouts.

● Attend a community-sponsored event to explore your community and connect with experts.

● Participate in the Cookie Program to build your troop budget to achieve the girls' goals. Don't forget about Sweets & Treats, too!

● Get girls outdoors! Do an age appropriate outdoor experience like just going for a hike in a local park or meeting outside. Check out the events in this book to get you started.

● Recognize girls' accomplishments. Host a bridging event or a court of awards ceremony at the end of the year. Invite the whole family, and let the girls take the lead.

Your Daisy Year-at-a-Glance

Troop Meetings

Troops typically meet twice a month. Most leaders like to plan meetings around a Daisy petal or badge, but it is perfectly okay to mix it up and integrate games, crafts, or field trips instead.

Remember that Girl Scouts is girl-led! Even Daisies can make choices, like voting on a craft or helping to decide the next meeting activity.

Consistency helps girls feel part of something special, even if every meeting looks different.

The Girl Scout Secret Sauce

The “**secret sauce**” is the vehicle that distinguishes Girl Scouts from other youth organizations and the driver of amazing leadership outcomes.

WHAT:

Girl Scouts do activities in Four Pillars:

Traditions | Troop Meetings | Field Trips
Badges | Patches | Camp
Cookie Business | Take Action Projects

HOW:

Girl Scouts experience our unique environment and three processes

Environment = all-girl safe space with supportive adult mentors (you!)

Three processes = girl-led, learn by doing, cooperative learning

WHY:

Girl Scouts become people of courage, confidence, and character who make the world a better place.

Outcomes or benefits of the Girl Scout experience include:

Sense of Self • Positive Values
Healthy Relationships • Challenge Seeking
Community Problem Solving

Daisy Petals vs. Daisy Badges

Think about petals as the Girl Scout "values" and the badges as "skills."

Petals are earned by learning and living the Girl Scout Law, and each colorful petal represents a different part of it.

Badges, on the other hand, are activity-based and focus on trying new things like coding, outdoor fun, or art.

Together, they help Daisies grow in character and confidence!

Earn Daisy petals by completing fun activities to learn about the Girl Scout Law. Below is a list of all the Daisy petals.

Promise:	Center
Lupe Petal:	Honest and Fair
Sunny Petal:	Friendly and Helpful
Zinni Petal:	Considerate and Caring
Tula Petal:	Courageous and Strong
Mari Petal:	Responsible for What I Say and Do
Gloria Petal:	Respect Myself and Others
Gerri Petal:	Respect Authority
Clover Petal:	Use Resources Wisely
Rosie Petal:	Make the World a Better Place
Vi Petal:	Be a Sister to Every Girl Scout

Learn more about earning petals in your Volunteer Toolkit found in your MYGS account at gssef.org.
